

Dear Parent/Guardian,

Your Year 8 or Year 9 child is now due the HPV (Human Papilloma Virus) vaccine. This will be delivered at your child's school by nurses from the Virgin Care School Aged Immunisation Team.

For any Year 10 students that have already consented but have yet to receive their vaccine due to lockdown, we already have your consent and we will be catching up with you at our school session.

For more information and to enable your child to receive this important vaccine it is **essential** that you complete the online consent by following the link below. If your child is in Year 9 and you have already completed our electronic consent, you do not need to do this again.

If you do NOT want your child to receive the vaccine, please also complete a form stating that you do not want them to receive the vaccine. This means we will not chase further.

<https://schoolimms.virgincare.co.uk/hpv/2020/devon>

If the link does not work, we suggest you copy and paste it into your internet address bar. If it still doesn't work OR you are having any other problems, please contact our designated team on 0300 247 0082 and they will be able to help.

The consent form needs to be submitted at least two full working days before we visit the school.

Dates for the vaccinations are:

Wednesday, 28th April	Year 8
Thursday, 29th April	Year 9
Friday, 30th April	Year 9/10

Regards
