

FINDING YOUR WAY AROUND.

WHAT'S NEXT.

Didn't manage to see everything?
Our next open event is on the **28 April 2022, 4-7pm**. Keep up to date with our events by registering on our website exe-coll.ac.uk/open-events

You can also view our on demand content including videos from our subject leaders, support teams, information about our facilities including virtual tours and much more!

APPLY NOW.

Our applications are open for entry in September 2022. You can apply online by visiting www.exe-coll.ac.uk

There is no deadline for applications, but we advise you apply sooner rather than later, so that you can concentrate on preparing for your exams.

Once you have applied, you will be invited in for an interview with a subject lecturer from your course choice. You will have the opportunity to find out more about the course and check it is right for you. We have our college advice team on hand in case you need further advice about your course options.

Interviews are held monthly from November to June with late interviews taking place in August.

NOT SURE WHAT COURSE IS RIGHT FOR YOU?

Our dedicated College Advice Team are trained to give you advice and guidance about the college and help you make sense of all the choices. They can talk to you about the subject area you are interested in, your long term career goals, what exam grades you expect to get and all things college related.

For more advice...
During the event you can find the College Advice Team in **C**, **S**, **T** and **V** foyers. You can contact our College Advice Team on **01392 400600**, cat@exe-coll.ac.uk or [f ExeterCollege](https://www.facebook.com/ExeterCollege) (Mon - Fri 8.30 - 4.30).

YOUR CITY CENTRE OPEN EVENT

Wednesday 2 March 2022, 4.30-7.30pm

HOW TO GET THE BEST OUT OF YOUR OPEN EVENT!

- There is a lot to see and do during an open event, so you may wish to visit more than one to ensure you have enough time. Here are some tips to help you make the most of it!
- Before you get here**
- Interested in our Construction, Engineering, Automotive or Aerospace courses? Our Construction and Technology Centres are open! See separate programmes for details.
 - Visit the Virtual Experience homepage: <https://exe-coll.ac.uk/virtual-exeter-college-experience> for on demand content including an introduction from our college advice team, virtual tours, and talks from our subject specialists
 - Read through the programme, tick the areas you want to visit, and use the map on reverse to plan your route
 - Make a note of any questions you'd like to ask
- During your visit**
- Pick up a course guide
 - Ask our Welcome Team, wearing blue, if you need help
 - Chat to our staff and students
 - Visit the subjects you are interested in to see where you'll study, ask questions, or attend a talk
 - See our fantastic facilities including: Radio Station and TV Studio **C**, Salon and Spa **L**, Restaurant and Skills Kitchen **L**, Gym, Dance Studio, and Sports Hall **N**, Healthcare, Childcare and Dental Simulation Suites **H**, Science Labs **S**, Recording Studios **M** and much more!
 - Visit the Student Support Hub for information about all the additional support and opportunities available **H**
 - Attend one of our Vice Principal's talks **D** or A Level talks **T** for an introduction to Exeter College
 - Find out about our range of amazing Academies, listed within subject areas overleaf
 - Need time to think? Grab a free tea or coffee in one of our cafes while you plan your visit **T**, **D**, **C**, **V**.
