

We have a *Bag2school* collection next **Friday, 18th June**, so if you had a half-term clear out, please pass your donations our way to help raise funds for the school.

There have been a few changes to what can and can't be donated, so please double-check on the Bag2School website [here](#).

Our pre-loved uniform shop is an invaluable resource for new and existing students alike. We are currently desperately short of branded school items such as blazers, ties and P.E. tops and hoodies. Donations of all these items would be very gratefully received.

Donations for *Bag2school* and pre-loved uniform items can be left with Mrs Hingston at front reception at any time. Thank you.
