

The Great Pilton Summer Reading Challenge

How many books can you read this summer? We challenge you to read or listen to as many books as possible between now and the beginning of Year 7. Choose from any of the books on Mrs New's recommended reading list and/or add any book, audiobook, magazine or comic that you've enjoyed.

When you've finished reading, please write a short review recommending it (or not) to a friend.

Book vouchers, house points (and possibly even chocolate) prizes await the winners in September.

Don't forget that you can find books, magazines and comics all over the place. You may have some books at home that you haven't got round to yet, you can buy new and secondhand books and audiobooks online and in the shops and you can borrow library books online for free by downloading the Libby or BorrowBox apps. Happy reading...
