Head of Year messages

Well done again Year 7 for the way you have conducted yourselves since returning to school after lockdown. You have made us really proud with your kindness, responsibility and resilience. We wish you all an enjoyable and restful Easter break. Let's hope the weather stays fine so we can all get outside and enjoy the sunshine. Don't forget to check out all the free extra-curricular clubs available next term and to sign up for as many as possible. Stay safe and take care.
Mrs Druce & Mr Hunt

It's been great to see your smiling faces back in school Year 8. Remember to be kind to yourselves and each other and to come back to school ready to work hard.
Happy Easter!
Mrs Roberts & Miss Capner

Happy Easter Year 9! We hope you have a lovely break. You have been brilliant in the way you've come back really focused on choosing your options for next year and beyond. You have shown great resilience and a lot of maturity and you've made us really proud. Thank you.
Mr Toms & Miss Crossey

We've been so impressed by all the hard work and resilience you've shown over the past term, Year 10. Have a relaxing and fun-filled Easter break. We look forward to seeing you next term ready to finish your Year 10 journey.
Mr Stocks & Miss Fishleigh

Year 11s – it's been so lovely to have you all back in school. This has not been the easiest of starts with so much still up in the air, but you have all come back with focus and determination. You should be very proud of yourselves. Have a lovely Easter and just remember there will be a few hard weeks when you come back, but the end is in sight! Best wishes, Mrs Ashton & Mr Bliss.

COVID TESTING INFORMATION

If your child is **absent** from school, please ring our absence line

Parent parking

Please be aware that **cars are not permitted to access the school site to drop off or collect students**, unless extenuating circumstances have been agreed. Unnecessary traffic on the school site causes congestion and potential danger to students and staff.

Please find alternative drop-off and collection points well away from the front and back entrances of the school. Bus and turning access is vital for adapted vehicles dropping off and collecting students at Pathfields School on Abbey Road and Welland House on Chaddiford Lane. Please respect the needs of their vulnerable students and those with disabilities.

You should also be aware that Abbey Road is resident permit parking only. Enforcement officers regularly issue tickets here.

Communication: Letters sent home to parents and carers can also be viewed on our website [here](#)

School transport. Please be aware that Stagecoach operates a '**NO PASS NO TRAVEL**' policy and will not allow students to travel on the bus without fare (if fare paying) or without a bus pass.

It is **MANDATORY** for all students to wear face masks whilst travelling on school transport. Anyone not complying with the above can risk being displaced from travelling on the school bus.

Please label belongings

Please help to reduce the number of lost items by ensuring that all your child's belongings are named (especially P.E. kit) so that they can quickly be reunited with their owner.
