Pilton Community College is looking to recruit a number of volunteers in response to increasing on-site testing for COVID-19. We are looking for volunteers to support with a variety of roles in order to assist in the delivery of COVID-19 testing for both staff and students.

These roles may include but are not limited to:

- Logistical support such as monitoring and coordinating site access
- Registering staff and pupils for Covid-19 tests and dealing with digital solutions

Applicants will be subject to DBS and other enhanced school checks.

If you are interested in volunteering with us, please email HR@ventrus.org.uk citing in a personal statement how you feel you can help and why you would like to be considered for these positions. Please include details of your availability in your personal statement.
