

“A PILTON LEADER
IS ONE WHO KNOWS THE
WAY, GOES THE WAY
AND SHOWS THE WAY.”

KIRAN GAMMON

“

Hello everyone. My name is Kiran and I am applying for the role of Head Boy. I am very passionate about sport; I enjoy playing sport with my friends and I compete in swimming and surf lifesaving at a national level. At school I love art and I work hard in all my subjects to keep my options open for the future. I have a few new ideas but mainly I want to listen to what ideas you have. I would work hard on your behalf to get your ideas across to the senior leadership team. ”

TABITHA ANDREWS

“

Hey everyone. I'm Tabitha. I've always loved the performing arts and am currently learning both the clarinet and piano, alongside taking part in multiple school productions, choir and orchestra. Outside school I enjoy helping at my local Brownie unit and attending Rangers, as well as reading and watching Marvel movies with my friends at weekends. On top of this I love to do sport and have competed for the school in gymnastics. I believe these well-rounded interests will give me the ability to represent a broad range of people, enabling me to be a spokesperson for all students. ”

ARRAN BLAIZE

“Hi, my name is Arran Blaize. I moved to Devon from London a few years ago. The main thing I would like to do as Head Boy is to set up more breaktime and lunchtime clubs for kids that can't go to clubs after school for any reason. I would also like to attempt to set up revision sessions for year 10s and 11s to help with their studying. This is important to me because I would like to help the school to get back to what it was like before lockdown, especially for the new students that haven't seen it that way.”

ADAM CROSSLEY

“Hi, my name is Adam and I’m a friendly and relatable Year 11 student. I love drawing, computing, gaming and watching TV. It’s important to me that the Head Boy of the school doesn’t talk down to other students, but is one of them (a man of the people) and just tries to help by make some positive changes in the school. I would like to help improve communication throughout the school, so all students know about different opportunities available to them. I am always open for a chat about how to improve the school or how amazing the Shrek films are! ”

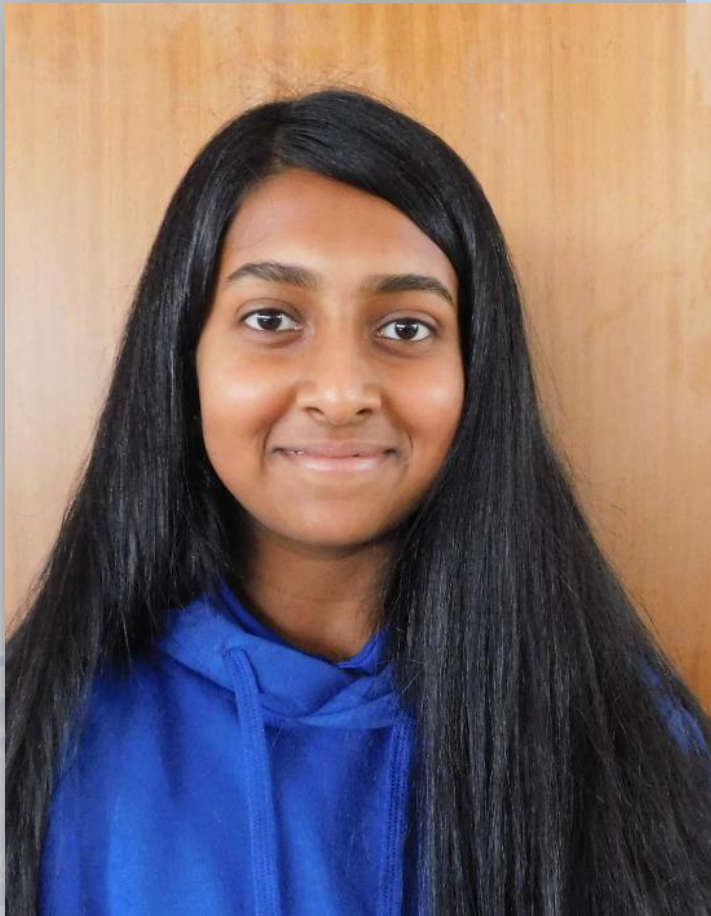

AMY DUNBAVIN

“

Hey, I'm Amy and in my free time you can probably find me in the sea, on the netball court or listening to music whilst cooking for my friends and family. I'm incredibly passionate about sport and I feel it has helped me become confident enough to apply for this role. As your head girl, I will listen to everything you have to say and act upon any concerns or ideas you may have. I'd also love to tell you more about some new ideas of my own. Thank you for your time; I hope you have a wonderful day! ”

BEYAN JOSHY

“

Hello, I'm Beyan. For those who don't know me, I am a very outgoing person; trying my hardest and taking part in many opportunities is all I know how to do. If I were head girl one of my main aims would be to support students with mental health and anxiety issues by introducing Well-Being Leaders to raise awareness and to help students feel supported and listened to. Helping those in our school community who may be struggling and being able to represent the voice of each and every student is very important to me! ”

OLIVE GIBBON

“I want to think that students can actually make a difference at Pilton. Perhaps it sometimes feels as though the student voice is unheard, or even heard and not acted upon. As head girl, my job would be to listen to what your issues are and put full effort into tackling them. I’m Olive Gibbon and you can usually find me on the netball court, at the beach or reading. I love good music and good food, and I’ve loved Pilton - something I hope you can agree with. Things I would like to change include the range of food offered, whole school events and live music, seating and sports equipment at lunchtime and gym facilities. This is the beginning of my list, I want to know yours.”

RYAN DUFFY

“ Hi! My name is Ryan and (as you can see) I’m running for Head Boy. Honestly, I never used to pay attention to the student body at Pilton, but I learned to step back and realise what the school has given me beside an education: friends, interests and the ability to give something back, which is an opportunity I’m taking now by running for Head Boy this year. It would mean the world to me if you helped me achieve that goal by giving me your vote 😊 ”
