

15th January 2021

From next week the Department For Education will once more be introducing a national Free School Meal voucher scheme. Administered by Edenred, the scheme will run in a similar way to that offered during the majority of the first lockdown period. We are able to start applying for these vouchers from Tuesday, 19th January, so please allow us a few days from this date to get it all set up and sent out.

We are aware that you are still awaiting your vouchers from the two weeks since the return to school after the Christmas break. We are doing all we can to send these to you as soon as possible.

In the meantime, if you are in urgent need of a food hamper instead of waiting for the vouchers to cover the first two weeks of term, please let us know by midday on Monday, 18th January by calling 01271 374381 or by emailing bwheeler@pilton.college. We can then arrange for you to collect your hamper on Tuesday, 19th January.
